

## Access at wallacespace Spitalfields

Wallacespace Spitalfields is one of our most accessible buildings.

The front door has step free entry and is 145cm wide. The door does not have assisted entry but there are staff in the reception area at all times to be on hand or answer any questions.

The café for breakfast and lunch is on the fourth floor and is accessible via a lift. There are also accessible loos on the first, second and third floors for your convenience. We have breakout spaces on all floors with a variety of teas, coffee and plenty of snacks.

There is a lift to all floors and they are fairly easy to navigate as there are no steps. The width of the door to access the lift is 78cm. Once you're in, the lift is 110cm x 145cm.

Please let us know in advance if you'll need a hearing loop.

We aim to make a visit to wallacespace a pleasant and stress free experience for everyone. There will always be things we can't change about the structure of our buildings but we are a helpful bunch so if you have any questions at all about accessibility (or anything else), please give us a call on **020 7395 1265** and we will do our very best to help.

We can answer questions, get the tape measure out or send you more photos if this would be useful.

Please do also feedback to us after your visit about anything we can improve on.
